Doctor’s Note for Sick Child Policy

Here at The Big Barn Preschool your child’s health and wellbeing are important to us. Therefore it is our policy that if your child is ill and needs to see a doctor He/she **may** receive free days for their illness.

Depending on the illness Doctors note may be refused. This is up to the Directors discretion. These steps must be followed:

- Child must go to a doctor
- Doctor must determine the illness is contagious
- Doctor must label the illness
- Doctor must say when the child may return to school
- Note must be signed and dated

If all of these items are not satisfied the note will not be accepted. This does not qualify for colds, flu like symptoms, stomach flus, allergies, or fevers without other symptoms.

Children with the following conditions do not have to be excluded from childcare, if they feel well enough to participate in regular activities:
