Where Children Come to Learn & Play!

Welcome to The Big Barn Preschool!

We are excited you chose The Big Barn Preschool as your childcare program.

This folder contains all of the paper work needed to register here at the Big Barn Preschool. Some of this information is for you to keep. Please carefully review these items before completing the enrollment to be sure The Big Barn Preschool is right for you.

It is very important that all forms be filled out completely as they are required by DCFS. This information is also important in helping the staff learn about your child and keep them safe.

Once you have returned the paper work and returned the one time only \$75 enrollment fee and two weeks tuition your child's place at The Big Barn Preschool will be secure.

If you have any questions or concerns please contact us at 847/895-3257. It is important to us that you fully understand our policies and procedures.

We look forward to getting to know you and your child.

Director
